“It's time that we honored the mechanics and workshop teams which go the extra mile for their customers each and every day. They are our heroes. A workshop is only as good as the people in it. The people who do everything to keep their customers on the move. As a full-service provider, we do our part by supplying workshop teams with the most modern equipment for repairs and diagnostics – and by delivering spare parts of the highest quality for all drive types.“

„Es ist an der Zeit, die Mechaniker und Mechanikerinnen in den Autowerkstätten zu würdigen, die jeden Tag vollen Einsatz für ihre Kunden zeigen. Sie sind unsere Helden. Eine Werkstatt ist nur so gut wie die Menschen, die dort arbeiten. Die alles dafür tun, dass ihre Kunden mobil bleiben. Wir leisten als Full-Service-Anbieter unseren Anteil, indem wir die Werkstattteams mit modernster Ausrüstung für Diagnose und Reparatur ausstatten und Ersatzteile in höchster Qualität und für alle Antriebsformen liefern.“
